

# Prayer Guide for Unceasing Prayer August 2012:

The following is an outline that you can use (if you want) during your hour of prayer.

Invite the Holy Spirit to lead you throughout this time!

In 1975 Bill Bright, founder of Campus Crusade, and Loren Cunningham, founder of Youth With a Mission, had lunch together.

God simultaneously gave each of them a message to give to the other: "The culture is shaped by seven mind-molders or mountains in society. If we can influence each of these areas for Christ, we will win the culture of our nation."

## These 7 mountains are:

1. Media Mountain
2. Government Mountain
3. Education Mountain
4. Business Mountain
5. Church Mountain
6. Arts and Entertainment Mountain
7. Family Mountain

Today let's pray through 3 of the mountains of our society:.

### **Pray for the Media Mountain:**

Jesus Christ is the LIVING WORD who is the Lord over all media and communication. Pray that our society's highly influential media would be reclaimed for Christ. Pray that the false division between secular and religious media would be broken down and that ALL media would set aside to honor God. Pray that the city of Austin would be a powerful center of media creation and communication that would shape our communities and even the nation!

### **Pray for the Government Mountain:**

Jesus Christ is the KING OF KINGS and is Lord over all the government. Pray that our government would stop the persecution of Christians. Pray that all workers within the government, regardless of party affiliation, would repent of their sins and align themselves with God's Kingdom purposes. Pray that God-honoring laws would be enacted in our nation, laws that demonstrate God's compassion, His love, His justice, and His high calling of righteousness.

### **Pray for the Education Mountain:**

Jesus Christ is the GREAT TEACHER who comes with authority. He is Lord over the area of education. Pray that the realm of education would shift away from its amoral center and towards a Christ-centered foundation again. Pray that God would raise up a new generation of teachers who love God with all their heart and soul and mind and strength. Pray for the Spirit to empower our educational system to sharpen the students' minds for the Lord and also to affirm the importance of their spiritual growth. Pray against any move of Satan to introduce lies and hatred into our schools that attack Christ and His church.
